Do you have any other hopes or concerns about the development of this park? | ¿Tiene alguna otra esperanza o preocupación sobre el desarrollo de este parque? 13 responses

lighting, right now it's really dark outside in the street

lighting and water

safety - like to keep park fenced with gates open. Keep sight lines into park open. Better lighting.

safety, access, where people will park who use the park

1. Dog Park! but w/oversight so it stays safe for pups :) want to make sure visitors are well socialized and friendly (dogs).

Please keep it fenced, please put play equipment in shade

Clean and safe

space reserved for a stage or pavilion for community use

auto-traffic

an area for dogs to play - Windsor Park has so many lovely pups and it would be a wonderful way to connect the community even more!

Hoping the city of austin provides safety and security since our house share property line w/the park? We are concerned about homeless or bail??? jumping in our ???

Traffic on Patton & continued maintenance of equipment

Like to be a place to walk and run with dog; play with children; meet community

on the 2-5 age playground - naturally shaded

Bathroom? Yes.

Put kids play area under existing shade trees. (Not in full sun, requiring a big canopy.) Requires an alternative type of playground probably, so as not to affect established tree roots. This would be great.

Note: This individual only chose 7 options above.
